FAB’s:

Feature (HAS)	Advantage (WHICH MEANS)	Benefit (SO THAT)
Thicker polyester film than regular flags.	Greater durability.	Lasts longer than normal flags. Reusable. Saves time and money.
Higher coating weight of unique low tack adhesive.	Sticks better, but still repositionable and removable.	Can be used on originals to save time and make jobs easier.
	Holds securely yet removes cleanly.	No adhesive residue to clean up, saving time and money.
	Won’t dry out or harden.	Reapplication and duplication of work is not required. Saves time and money.
	Won’t soak through paper.	Won’t ruin originals. Saves replacement costs.
	Low static.	Allows controllable positioning.
Translucent matte finish.	Matte/write-on surface can be written on with pencil, pen or most other writing devices.	Saves time and makes the job easier when corrections are needed. Professional appearance.
	Invisible on the job.	The non-colored portion of the Post-it® flag is clear enough to read through and will not shadow when copies are made.
	Extremely long aging and non-yellowing.	Eliminates reapplication, will remain translucent indefinitely, saving time + money.
Brightly colored tabs.	They can be used for color coding, flagging, highlighting, etc.	Draws attention to a specific place on a document. Fast communication, saves time.
Dispenser.	Protects Post-it® flags. Easily portable, controlled dispensing.	For clean, neat, professional tape applications.
	Post-it® flags are dispensed easily.	Product is not wasted and is always ready for quick, easy use. Saves time and money.

Important: may leave a mark on some surfaces (e.g. clay-coated, specially treated papers), lift correctable ink or damage some papers (e.g. onion-skin papers). **Test before using.**
