

MAGNETIC 4-RING DISPLAY SUPPORT

A streamlined display for centralizing large amounts of information.

Product description:

- Magnetic support with a 4-ring binder mechanism.
- Can be used in horizontal or vertical position.
- For documents from A5 to A3.

Unique selling points:

- Discreet, thin and light, it can be repositioned as desired.
- Made with 80 % recycled aluminium.
- Allows for the display and storage of multiple documents in one place, facilitating the centralization of information.
- Vertically, documents can be flipped through like a book.
- Supports punched sheets and plastic punched pockets.
- Supports up to 500 g of documents in vertical position and 1 kg in horizontal position.
- Compatible with our magnetic punched flexible pockets (art. 18112x).

Use:

- For display on whiteboards or any metal surface.
- Allows documents to be consulted on a communication board or near a workstation.
- For a LEAN display of information: internal rules, work methodology, processes, operating procedures, daily statements, work instructions, follow-up of industrial projects.

Technical characteristics:

- Base made of 1.2 mm aluminium composite panel.
- PVC magnet.
- 4 D-ring nickel-plated metal binder mechanism.
- Dimensions: 40 x 320 mm.
- Made in France.

Packaging:

- 1 piece in bag with EAN label.
- 5 pieces per 100 % recycled Kraft box.
